Re: United States v. Tracey Smith
20 Cr. 52 (DLC)

Dear Judge Cote:

I represent Defendant Tracey Smith in the above-referenced matter. Her sentencing date is April 8, 2021. Presently, our sentencing memorandum is due on March 25. I am writing to request a five-week adjournment of our submission.

To date, our mitigation consultants have interviewed Tracey on two occasions. She has specific medical issues and mitigating factors for which we have been trying to obtain records. She also has a substantial record of homelessness which our consultants wish to procure. As a result of the pandemic, everything is more cumbersome and moving at a slower pace. In order to acquire the medical records (I am informed they have limited staffs), our consultants consequently require five additional weeks.

The government has no objection to an adjournment in this case.

Thank you for the Court's consideration of this letter.

Respectfully submitted,

/s/
